

2021 ILLINOIS TRIAD CONFERENCE

September 28, 2021

Two Brothers Roundhouse, 205 N. Broadway St., Aurora, IL

One day of multi-tracked, engaging seminars chosen to appeal to seniors, law enforcement, senior services, fire departments, and senior advocates. Don't miss this excellent opportunity to increase alliances to address senior abuse, victimization, and promote healthy and safe living for senior citizens.

A Marine, A Cop and A Comic! Dwayne Gill is a triple threat!

Feeling his career as a police officer was way too serious for someone considered funny since birth; Dwayne found an outlet for his humor when he first stepped onto a comedy stage at the Ann Arbor Comedy Showcase in 1993. After only two performances, he joined the ranks of professional comedians with his first paid booking at Gadzooks Comedy Club. A native of Detroit Michigan and a member of Kappa Alpha Psi Fraternity Inc, Dwayne is taking the comedy world by storm.

“Right then I knew comedy was what I was here on earth for,” he laughs. “And I’d much rather take laughter than a bullet any time.”
